Dear Readers,

The yearbook staff this year has been motivated, creative, and involved. Without our entire staff, this yearbook would not have come together as well as it did. We all worked together to create a book that we can all (eventually) look back on and be proud of. The yearbook staff worked hard in the effort to create a book with not only the best of times, but the most important memories.

I would first like to thank the advisors of the yearbook, Mr. Falcon and Mrs. Cappiello for all that they have done. They are extremely dedicated to this yearbook and have done so much in helping the staff make the book the best it can be. Their endless effort pushed us to want to fulfil the duty of making this book the best it can be and their kind words relieved our stress when needed. It was my honor to have been able to work with them and I am very grateful for everything they have done for us.

I would also like to thank every business who purchased ads. Without you, we would not have been able to create such an amazing yearbook; we appreciate your generosity.

Thank you to Mrs. Darcy and Mrs. Schiller for always supporting us and helping us when we needed it. They are a great asset to this team and we would not have gotten this far without them.

Last, I would like to thank my fellow editors and staff for everything. They all showed dedication and were always motivated to complete any task that was given to them. I am so pleased to have had the opportunity to work with such an amazing team. Not one person ever had doubt and everyone always took pride in their accomplishments. This group was not only inspirational to one another, but they were all incredibly creative which when forming a yearbook is a very important skill. I thank you Jacob Brangi, Andrew Kos, Amanda Macolino Anthony Micarelli, Zachary

Munck, and Destiny Smith; for everything you have all done, without your hard work and dedication, this yearbook would not have been possible. This has been a great year and I am very proud of what we have accomplished. I wish next year's staff good luck; enjoy your experience. I would also like to congratulate the entire class of 2015; I am glad to have been a part of this wonderful class!

Thank you again to everyone,

Marissa LaLuna

Overall I can speak for the captains and our entire senior class by saying, we are very proud about our season."

"The Boys' Soccer Team had another successful season in the 2014. The boys finished with a 7-7-2 record, reclaiming the Oronoque Championship on their way to a second consecutive State Tournament berth. The tough 2-0 loss to Torrington in the first round only temporarily overshadowed the Indians record breaking season, having six All-League players: (Srs) János Kanyo, Ryan Chieffo, Walter Muralles, Joe Russo, (Jrs) Thomas Bogen, and Ian Dunning as well as an All-State selection Midfielder Ryan Chieffo"

"This 2015 Nikh Bowl Season is another win to add to the books. As a team we fought , we bled, we cried , we persevered, and most importantly we became a family. Every Saturday and Sunday through rain and heat we practiced hard and devoted our time to playing to our best abilities. We motivated each other , we might of hurt each other along the way but in the end we "made miracles happen" . With the help of our coaches not only did we leave with a victory we also left with memories that will most certainly last with us forever. One last time for the memories NH HOO-RA on 3"

This year was monumental for the program as it saw the winningest team in recent history. ## Message from the Principal...

*"Education is not preparation for life; education is life itself." - John Dewey*

Dear Members of the Class of 2015,

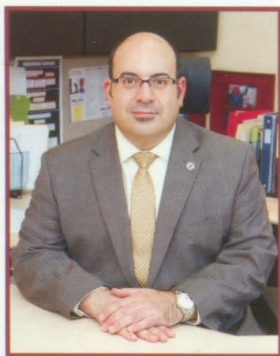

Congratulations on your graduation from North Haven High School! It has been a privilege to serve you over these four years. You are a great class, and you will do remarkable things with your talents, energy, and compassion.

North Haven is a better place as a result of you. I will remember you as individuals for the conversations and laughs we enjoyed. I will remember you as learners who thought, worked, and interacted so effectively in classrooms. And I will remember you as a profoundly decent community that championed the rights of all students to be themselves, be safe, and feel at home at NHHS.

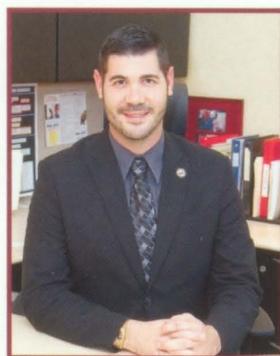

I speak for our administration, faculty, and staff when I say that we are proud of you and wish you the best in all that you do. Please stay in touch and keep NHHS in your heart.

Sincerely,

Russell J. Dallai, Ed.D.

"Following a difficult season last year, the softball team was determined to work hard and rise to the challenge of a tough upcoming schedule. Each girl dedicated their time and efforts to better themselves everyday and to prove their abilities. Despite the tough losses, the team was resilient and made the State Tournament to achieve one of our season goals! Best of luck in the following years!"
