Boston Red Sox fan, athlete, coach, English teacher, athletic director, administrator.

Ms. Brozek is so much more than these personal accomplishments. She has not been solely an administrator and a faculty member, but has been a selfless advocate for North Haven's students, faculty, and future. From coaching softball to being a driving force behind the construction of the new high school, Ms. Brozek will be most remembered for her tireless commitment and contributions to the North Haven community, both athletically and academically.

Students remember Ms. Brozek for attending all school events with a smile and a congratulatory handshake. In 2004, Ms. Brozek led a schoolwide celebration in honor of the Red Sox's reversal of the "Curse of the Bambino" in full uniform.

While some principals are primarily focused on the administrative aspects of the job, Ms. Brozek has a personal commitment to the well-being of her students and faculty. Most notably, her intense involvement and dedication allowed for the construction of the new high school, which will remain an asset to the North Haven community for many years. Without her, the project would not have been possible.

Ms. Brozek will always be remembered for her uncommon devotion to North Haven and its students. Thank you for all that you have done for the North Haven community. We will miss you and we wish you the best of luck in all of your future endeavors. We, the Class of 2007, dedicate our yearbook to you.

Without the support, guidance, and dedication of our class advisors Mr. Fagan and Ms. Nash, our high school experience would not have been possible. We thank them profusely for their enormous amount of devotion toward our class. For four years they have worked tirelessly with our class advisors on fund raising, spirit days, and class events. May you build a ladder to the stars
And climb on every rung,

May you grow up to be righteous,
May you grow up to be true,
May you always know the truth
And see the lights surrounding you.
May you always be courageous,
Stand upright and be strong,

May your hands always be busy,
May your feet always be swift,
May you have a strong foundation
When the winds of changes shift.
May your heart always be joyful,
May your song always be sung"

-- Bob Dylan

George Ramos

Dear George,

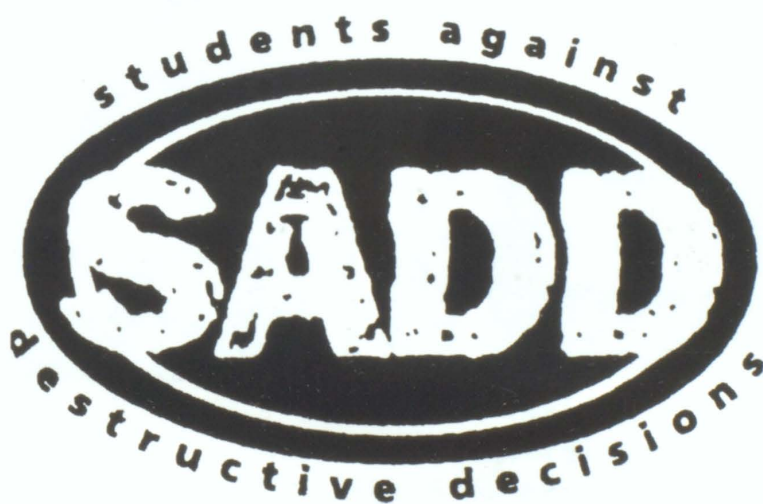

From as long as we can remember you have made us proud, but most importantly you have made us realize that there is more to life than being serious all the time. You have been there for us when we needed you and although there have been times when you have tested our limits your true character always brings us back to your caring, loving personality.

From your random facial expressions to the random outbursts at dinner you've made life interesting around the house and for that we love you. We will never forget those times when we would see you teaching your stuffed animals the ABCs or outside in subzero weather practicing basketball. Now you're ready to move on to the next step in your life. You are going to succeed at whatever you choose to do in life and we're going to be right there with you encouraging you all the way..but then again you already know this.

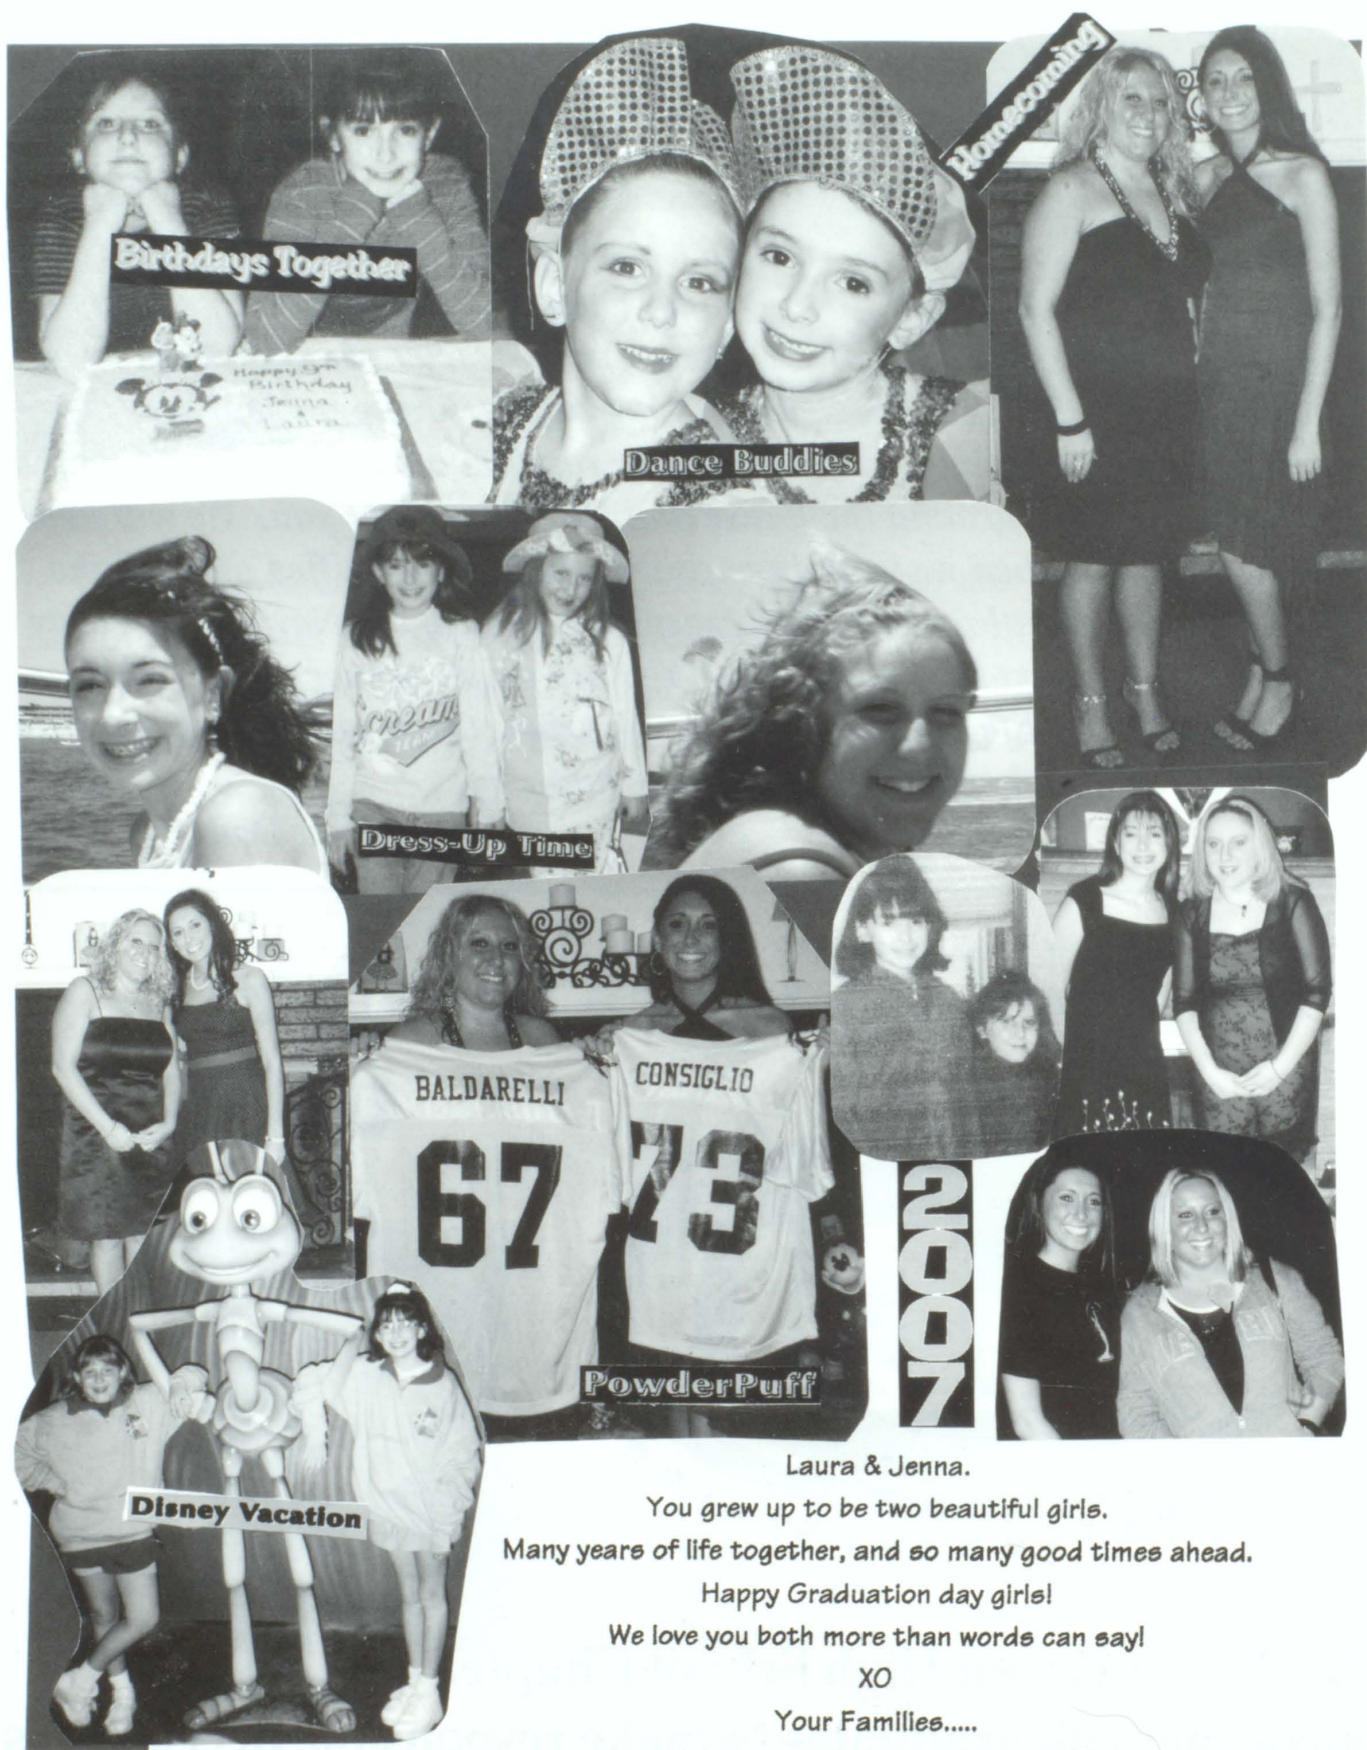

Love, Mom, Dad & Joe

Dear Classmates and Friends,

If you are reading this, then by some way or another this yearbook managed to get completed and submitted. Though to you casual yearbook readers it may not seem like it takes much effort to type in a bunch of words and place pictures here and there, but when you are working with two aging Macintosh computers and a program that is so unreliable you have to save your work after every letter, the task can become daunting. But amidst our spasmodic machinery, the small closet that is the Yearbook Office has yielded a yearbook despite our dreadfully limited staff. But alas, we would like to take this opportunity to thank those who have given their support and devoted their time and effort into making this yearbook possible.

First, a HUGE thanks to Steve and Storytellers Photography for always providing the best photos of every imaginable event North Haven High School experienced this past year. Also, without the expertise of Joan and Rene Genest, a good chunk of our pictures would not look as polished and professional as they turned out.

We also wish to thank our Athletic Director, Ms. Dolan, for her support through the beast that was the Sports Pages. Her knowledge and precision in identifying every single athlete at North Haven has alleviated the dreaded task of captioning pictures immensely, and without her help, we would still be holding a magnifying glass to the Cross Country page.

And of course, those of us who were suckered into identifying the countless number of candid photos, via Señora Leach's Spanish class pleas for help, cannot go without mention. The efforts of Monique Yin, Nina Sacco, Lauren Moss-Racusin, Christine Aveni, and the students of Señora Leach's Spanish V class are definitely appreciated and were most helpful in expediting the yearbook process. And for those who physically came to the Yearbook Office to type, format, and arrange the dreaded senior profiles, your help is greatly appreciated.

Yet through all our missed deadlines, our Jostens representative Bob Sasena's patience and ability to turn our scattered printouts into this yearbook have really meant a great deal to us!

So we present you with 214 glossy pages that were by no means easy to put together. For many of us, this was our first and last experience working on the yearbook, and however grateful we are that it is *finally* over, there is a part of us (somewhere) that will miss it: be it the food runs, the white hot chocolate, 23.jpg, or yelling at the talking clock that tells you the time every fifteen minutes, it has been an experience we will never forget.

We also cannot forget to mention Sara Peck, who made time every day after school (even during Fencing season) to stop by (albeit not always on time) and help wherever she was needed, be it typing, cropping, identifying, or picture placing. She has been a great help and a great friend. Thank you Sara Peck.

And so we leave the Yearbook Office. Next year, the people that have brought you this yearbook will have graduated, and our Yearbook Advisor, Señora Leach, who has been in charge for quite some time, will be leaving as well. She has put countless hours into this yearbook, both in school and at home, and without her, none of this would have been possible. As editors, it is our opinion that no one has properly taken the time to appreciate what she does for this yearbook. And here is where we hope to give at least a little credit... it would be the least we could do. Thank you Señora, again we don't know how this yearbook will be possible without you next year. We wish you the best of luck in your retirement.

Congratulations, Class of 2007. You have done it! You have survived your four years of high school. After this we hope that many doors open for you and that you all are successful in your lives after NHHS. Keep this book as a token from your high school years, so that you may keep the memories of your high school career close to you.

Your Editors,

Justin Laffin
