DEDICATION

Through these past four years at North Haven High School, one man's presence has helped to give the class of 1980 the solid base on which it now stands. As our class advisor he has been a source of constant support and unfailing confidence. He was always willing to place his trust in our judgment and support our decisions even though he may have disagreed. This has instilled in our class the inspiration and encouragement to strive for success. As a person, he-can only be loved and appreciated and his generosity will not be forgotten. With these thoughts in mind, the class of 1980 dedicates this edition of *Sachem* to Mr. Glen Dean.

IN MEMORIAMS

Shirley Luscomb was a dedicated, kindly person. She performed all of her duties for the English department conscientiously and enthusiastically. At all times she gave of herself to meet the needs of the students. We miss her very much.

The English Department

Shirley Luscomb touched all who knew her warm and gentle demeanor. Teachers and students felt her warmth in her response to a request for a service, large or small. Her gentle ways served to soothe ruffled nerves; her sense of humor painted a smiling face on many a hapless situation.

Marie Diamond Department Head, Foreign Languages

Mrs. Luscomb was a caring professional. Her sincere interest in students and their needs made the job of teaching a more productive one.

Morris Roodenburg Social Studies Department

Ann Mansfield manifested professional and human qualities that have had a profound effect on the students at North Haven High School. The personal warmth and genuine concern for their well-being as well as that of the staff were cherished attributes found in her daily tasks. Her influence, concern, and dedication will be forever remembered. Her contributions will remain indelibly imprinted in the minds of all those she so willingly served.

Dr. Dominic Mascagna Associate Principal

Mrs. Ann Mansfield enjoyed working with the students and staff at the West Campus. She was always a kind, sensitive and thoughtful person. She would listen to any student who was having problems with his/her personal or social life. As a school nurse, she was able to handle with great competence her daily professional duties as well as any emergencies which arose.

Rose Silvestro East Campus Nurse

Never Give Up

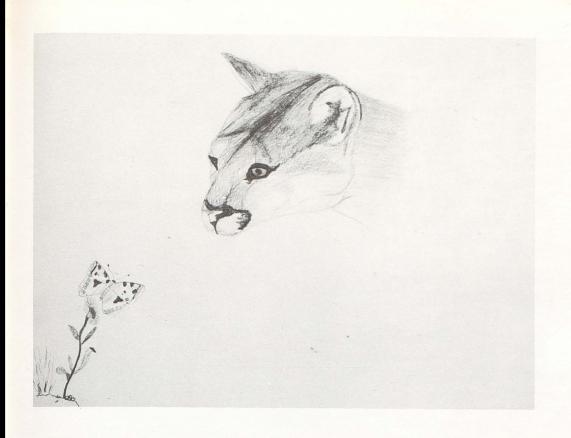

Never give up when the going gets rough. Never give up when the other one's tough.

Never give up when you're down on the ground. Never give up when there's no one around.

Never give up when your back's to the wall. Never give up when you take a big fall.

Never give up when the rough roads are near. Never give up cause l'Il always be there. Karen Labanaro

For a moment in the sky, a bird will fly high And he utters not a sound, yet he soars. Like an unfortunate star falling to the earth, He descends, . . . quietly, and soon. He feels one last moment of joy before his heart is pierced by a thorn, Whereupon the fragile creature returns to The heavens he once wandered Debbie Dusa

"Peace"

Oh, upon my heart so still and bent lies a punctured knife wound, an eternal dent. punctured knife wound, an eternal dent.
My brains are filled with twisted worms,
mass upon mass they choke, mere germs.
Piles of thorns race through my blood, dead
weights dragging me, like clumpy mud.
Fractured bones of sharred glass, poking through
my soggy flesh, poisonous gas.
Anchors rest above my lashes, they finally release,
My eyes crushed to mashes.
Desperately drained I search so deep, and finally Desperately drained I search so deep, and finally Desperately uranifed 1 662 1 I succeed, my hope to sleep Debbie Dusa

Because We Were Together

As the sands of time pass quickly by, We follow our life on a long and dusty trail, That has many roads on which to choose. We can't see just where we're going, But we'll always have the memories, As we sail through life. We'll think of how it was when we were all together Sharing the good times and the bad. The pictures we kept will remind us of; All the smiles, the laughter, and the tears we left behind. We never will forget, All the times we shared, Because we were together. Karen Labanaro

So petty the moment we don't acknowledge until the next revelation; until then, we embrace those moments not being able to touch them. Instead, reaching out for them in vague thought. Now realizing this moment cannot be recaptured to its fullest . . . living the next in entire appreciation.

Debby Savino

Senioritis is:

- * Filling up your schedule with home economics classes.
- * Breaking out in hives over your SAT scores.
- * Having to listen to prospective employers drone on about the decadence of youth.
- * Trying to memorize your social security number.
- ★ Getting the uncontrollable urge to see what the vice-principal's office looks like.
- * Sending our graduation announcements to great-aunts and other relatives you've never even met. (and hoping for presents)
- * Wearing a graduation gown that drags on the floor because the class secretary put you down as six-foot two.
- * Standing on the threshold of adulthood and not at all sure you want to be there.

Reflections

Capturing those moments of simple treasures:
 a mere smile,
 an outburst of happiness.
 Or the touch of a hand reaching out.
As the sun quietly sets upon the water,
reflecting those moments that have so
quickly passed . . . anticipating what lies
so near ahead.

"Afoot and lighthearted I take to the open road, Healthy, free, the world before me, The long brown path before me, leading wherever I choose."

Coach Ray Lapinski lead our Cross Country team to a better than five hundred record, 9-8. The Cross Country Team was stricken with a severe setback when Tri-Captain Jeff Smith was only able to run in three meets due to a broken foot. Senior Laura Saunders and Sophomore Sue O'Conner were placed on the Girls All Housatonic 2nd Team. Laura was also placed on the Girls All County 2nd Team. Don Sbabo was chosen M.V.P. while Andy Gramaldi was selected for the Sportsmanship award. The girl voted for most improved runner was Sue O'Conner and the boy was Ken Ferner.

FOOTBALL

Coach Bob DeMayo's Indians turned out a disappointing season with a 1-9 record. Injuries seemed to plague the Indians from their first spring practice to that last Thanksgiving Game. However, despite all their misfortune the Indians still were able to give even their toughest opponents a good game. Good coaching as strong will to win made this all possible. Co-Captain Ron Iannucci was named to the All Housatonic League first team, while Senior Vic Artaiz and Junior Tom Casey were awarded Honorable Mentions. The Mike Vanacore Sportsmanship Award was awarded to two seniors, Gary Rosadino and Vic Artaiz. The M.V.P. was unanimously awarded to Ron lannucci.

HOCKEY TEAM

Coach Jim Riccitelli in his first year as head coach of the hockey team lead the Indians through a fantastic season. The Indians' record is the best in the school's history — 18-2-1. Two of these victories came in post-season play which lead them up to the Division L State Championship game. Senior Co-Captain Bill Silengo and brother Mike, who is only a sophomore, were selected to the All-Housatonic first team. Junior Neil Johnson was selected to the second team All-Housatonic, while senior Mike Caprio and junior Marty Haragan were honorably mentioned. Though the Fegan brothers (Daniel and Eddie), along with Robert Hart, were not selected for any honors, it is an undisputed fact that without these three the Indians wouldn't have made it to the Division L State Championship.

Returning will be John Hong and George Coulston, both of whom advanced to the semi-finals in the state championships last year. Bruce Levine, a promising junior, and Josh Brown, a sophomore, will also be back to round off the squad. This was also Coach Robbins' first year of coaching a girls' fencing team.
